

Magi Baby Chest

How It Works!

**Open the 1st Saturday of Every Month
9AM-12PM**

It's easy! Each month provide your suggested \$5.00 (cash only) door donation and you receive one coupon certificate per family. One certificate is worth 10 coupons and can be used for baby supplies within the Magi Baby Chest. Baby and toddler supplies are marked indicating their coupon values. Supplies are offered for children ages newborn to 4 years.

- Coupons CAN be carried over into the next month! However, coupons cannot be pooled between separate individuals.
- Coupons are good for a year after they are issued.
- Coupons are not exchangeable for cash and do not have cash value.
- Some supplies may have a limit, ask an attendant for details.
- Supplies are not available for cash sale and cannot be returned or exchanged for money or more coupons.
- We cannot guarantee item availability, and we will do our best to find a substitution if we no longer have an item available.
- You cannot purchase additional coupon certificates.

We are so happy to serve you. You're Worth It!
